

## **Woodstock Academy Booster Club Athletic Campership Program**

The athletic campership program is funded by the Woodstock Academy Booster Club to encourage Woodstock Academy athletes to attend summer athletic camps. Camperships are awarded up to \$150 per athlete. The Booster Club reserves the right to limit the total number of camperships in any given year depending upon budgetary restrictions.

### **REQUIREMENTS:**

Any freshman, sophomore, or junior who has participated in or would like to participate in a sport at Woodstock Academy is eligible to apply. Camp scholarships will only be awarded towards those sports that are part of the Woodstock Academy Athletic program.

Any athlete who is awarded a campership will be required to volunteer at least one shift (4 hours) at the Woodstock Fair Booster Club booth over Labor Day Weekend.

### **SELECTION PROCESS:**

The campership committee of the Booster Club will review the applications and may consult with the Woodstock Academy Athletic Department.

Selection will be based upon the following priorities:

1. Information on the application form (next page) must be complete and all required supporting documentation is included.
2. Application must be received no later than the June 1 deadline.

All applicants will be notified of the campership committee's selections prior to the last day of school. Those who are selected will then be provided with an award check.

### **CONTINGENCY:**

If at any time, an athlete realizes the campership will not be used or they will not be attending Woodstock Academy in the upcoming year, they agree to notify the Booster Club or Mrs. Welch in the main office immediately to make arrangements to return the check. The campership will then be awarded to another qualified athlete.

Athletes are encouraged to apply for the camp scholarship each year that they are eligible.
